

A. Aim:

To create a simple cloud software application for Education Management.

Procedure:

- ⇒ Go to zoho.com.
- ⇒ Sign in with your email & password.
- ⇒ Click creator icon.
- ⇒ Click creator access button.
- ⇒ Select either 'click from scratch' or create from gallery.
- ⇒ Select template and upgrade.
- ⇒ If you need to publish, select publish icon at the environment.
- ⇒ The web application created is for education Management.

Diagram:

Registration No.

Name

Date of Birth

Student Photo

Gender Male ☐ Female ☐ Other ☐

Email

Contact

Father Name

Father's Occupation

Father No.

Mother Name

Mother's Occupation

Mother No.

Result:

Thus, we have successfully created the application for Education management.
